TELECOMMUNICATIONS EQUIPMENT

Prior to using this contract, all State agencies are advised to review the California Technology Agency, Statewide Telecommunications and Network Division, "State Telecommunications Management Manual" (STMM), Category 0400 Sections for current delegation parameters applying to the acquisition of telecommunications equipment and services. This provision does not apply to local governments.

VIDEO CONFERENCING

Agencies interested in procuring video conferencing equipment and services should be aware of the state's network and equipment interoperability concerns, which extend well beyond any single vendor's equipment. As a minimum, agencies must ensure that the hardware, firmware and software comply with current international CCITT video conferencing standards.
